

Atul Humar MD, FRCP(C)

Director, Multi Organ Transplant Program
R. Fraser Elliott Chair in Transplantation
University Health Network
Director, University of Toronto Transplant Institute
Toronto, ON

Dr. Atul Humar, MD, FRCP(C) is a Professor in the Department of Medicine, University of Toronto. Dr. Humar received his medical degree from the University of Ottawa. He completed his residency and did further training in Transplant Infectious Diseases in Toronto and Boston. Dr. Humar's research interests are in virology with a focus on the pathogenesis of herpesvirus infections post-transplant. He is involved in both basic and clinical research assessing immunologic and virologic determinants of infection. Dr. Humar is the Director of Multi Organ Transplant Program at the University Health Network and the University of Toronto Transplant Institute. In October of 2015, he was elected as the President of the Canadian Society of Transplantation.
